

Bachelor's degree programs

ING - Engineering Sciences

Hochschule Bremerhaven

ING
Industrial Plant Engineering
Building Energy Technology
Food Technology / Food Industry
Sustainable Energy and Environmental Technologies
Production Technology
Marine Engineering
Transportation / Logistics
Medicine Technology
Maritime technologies

Hochschule Bremen

ING
Architecture B.A.
Civil Engineering B.Sc.
Electrical Engineering B.Sc.
Energy Engineering B.Eng.
Aircraft Systems Engineering and Management B.Eng. (DS)
Aerospace Engineering B. Eng.
Mechanical Engineering B.Eng.
DS Mechanical and Production Engineering B.Eng. *
Shipbuilding and Marine Engineering B.Eng.
IS Shipbuilding and Marine Engineering B.Eng. *
IS Ship Management B.Sc. (Nautical science) *
IS Environmental Engineering B.Sc. *
IS Business Engineering B.Eng. *
Studies in the field of Shipbuilding and Marine Engineering B.Eng. (DS)
<i>IS= International Major; DS = Dual Major; ES = European Major</i>
<i>* Foreign stay firmly integrated into the study.</i>

Universität Bremen

ING
Electrical and Computer Engineering
Production Engineering - Mechanical and Process Engineering
Systems Engineering
Electrical Engineering and Information Technology
Industrial Engineering Production Engineering
